

MISSION STATEMENT

Our mission is to strengthen Jewish identity, energize the relationship with Israel and meet human needs that are uniquely the obligation of the Jewish community.

We are the central Jewish community-building organization of the greater Palm Beaches, serving residents from Boynton Beach to Martin County and west to Wellington.

2013

IN THE PAST YEAR,

your generosity made a lasting impact on people all over the world.

Because of you, a homebound senior lives with dignity and fulfillment. A child is at summer camp, learning how meaningful – and fun – being Jewish can be. A family in the former Soviet Union is rediscovering its roots. An at-risk teen is being surrounded with social support and educational opportunities to become a successful adult.

In 2013, we produced a massive community celebration with over 3,000 people coming together to sing, dance and cheer for Israel's 65th birthday. We began to reimagine our professional and lay organizational structure and recruited talented professionals.

We improved relationships with partner agencies and strengthened our ties with Israel. We even designed, funded and recruited for a first-class leadership succession program that will develop a cadre of future volunteers ready, willing and able to step in and lead effectively.

Federation intends to stand firm as a leader in accomplishing what will result in a stronger, more dynamic Jewish community for generations to come.

Our volunteers and donors are feeling more committed to Federation's mission every day. And new people who were not connected are now learning about the impact we make in our community, in Israel and around the world.

Thank you for all you did in the past year to make our dreams into an inspiring reality. We hope to continue growing with you for years to come.

*Jewish Federation of Palm Beach County
Board of Directors*

AS I LOOK FORWARD,

I am confident that we are creating a Federation that is dynamic, active and bold.

Together, we are strategically – and literally – building the Jewish Federation of tomorrow.

We are adapting more effectively to cultural and technological advances – and becoming more agile in our ability to pursue and support the changing needs of the domestic and global Jewish community.

We are transforming the long-term future of Palm Beach County with Federation's Tomorrow Today Campaign (TTC). Our agencies are moving to modern buildings, renovating existing ones and equipping themselves with state-of-the-art resources.

We are working our hardest to be back in touch with you. We plan to physically plant ourselves in the community, opening up offices in Boynton Beach and Palm Beach Gardens – areas where the Jewish community is beginning to call home more and more.

Let's keep the momentum going.

Join the fun and get involved. You can make a world of difference.

People often ask me, "What is Federation and what do you do?"

In short, we do extraordinary things for people everywhere. You can be a part of it – just step forward.

B'Shalom,

David Phillips
President & CEO

Enriching Jewish Life

TOGETHER, WE INSPIRE, EDUCATE
AND CELEBRATE JEWISH LIFE.

Jews around the world are feeling renewed excitement about being part of the community. Together we can help fulfill their dreams – and yours – whether that means traveling to Israel to visit, volunteer or study; becoming a Jewish leader on campus; or sending a child to a Jewish pre-school or camp.

Here are some examples of how YOU contributed to enriching Jewish life in 2013:

30,000 *people visited the International Center for Tzfat Kaballah in Federation's TZAHAR (Tzfat, Hatzor HaGlilit & Rosh Pina) Partnership2gether Region in Israel.*

1,200 *young children received free Jewish books and music every month through PJ Library®, implemented by the Lorraine and Jack N. Friedman Commission for Jewish Education (CJE).*

850 *college students participated in Jewish programming at Hillel in St. Petersburg, Russia.*

500 *teens connected to their Jewish heritage with programs at 13 public high schools through Federation's Jewish Teen Initiative.*

300 *children enjoyed a high-quality education at the Arthur I. Meyer Jewish Academy.*

VOLUNTEER LEADERS

Barbara Arnold and her husband joined the Mandel JCC Academy of Continuing Education (ACE), seeking to enhance their daily lives through classes, discussions and seminars.

Today, she is a volunteer leader on numerous adult programming committees at the Mandel JCC.

"Giving back to Palm Beach County's Jewish community makes me feel connected and fulfilled,"

says Barbara. "I truly love what I do."

OPENING EYES TO ISRAEL

18 teens traveled to Israel this year with Federation's Bonim Chaim program.

They lived with Israeli families, toured the country and volunteered 100 hours of community service.

"If it wasn't for Federation and the programs they offer, I would not have had this summer's experience," said Allie Taylor, Bonim Chaim participant.

"I really have come to know myself and grow as a Jew."

Vulnerable Populations

TOGETHER, WE FEED, SUSTAIN, COMFORT
AND RESCUE PEOPLE IN NEED.

Because of you, homebound seniors live with dignity. Families have access to quality mental-health services. Mentoring and enrichment programs are available to at-risk children here, in Israel and around the world. Together, through the power of community, we make the world a better place.

Here are some examples of how YOU ensured caring for vulnerable populations in 2013:

31,700

hours were devoted to home healthcare for seniors in need through Kramer Senior Services, a subsidiary of MorseLife.

26,000

kosher Meals on Wheels were delivered to seniors, another initiative of Kramer Senior Services.

4,000

clients accessed mental-health and social services through Alpert Jewish Family & Children's Service (AJFCS).

400

volunteers helped kids improve their reading skills at 57 local public elementary schools, through Federation's Anne & Sam Klein Jewish Coalition for Literacy.

400

at-risk children in Israel's TZA HAR Region were partnered with mentors who helped them and their families access health and welfare resources through the Jewish Agency for Israel's Youth Futures program.

LOCAL CELEBRITIES LEND A HAND

South Florida radio personalities Kevin, Virginia and Jason (The KVJ Show) shared their love of reading in videos created for third- to fifth-grade students throughout Palm Beach County.

The popular trio reads books to thousands of children from local public elementary schools to help them become better readers.

This effort is part of the Anne and Sam Klein Coalition for Literacy, initiated by Jewish Community Relations Council (JCRC). Reading partners are paired with students to provide the gift of reading to nearly 4,000 children at 57 elementary schools from Jupiter to Boynton Beach.

SURVIVORS FIND NEW HOPE

There are an estimated 12,000 Holocaust survivors in Palm Beach County. Café Europa, a program of Ferd & Gladys Alpert Jewish Family & Children's Service (AJFCS),

brings survivors together, providing them with comfort and dignity.

Holocaust survivors – who endured a world of pain and tragedy – are now forging new relationships and discovering a renewed sense of fulfillment and companionship because of the program.

Jewish Community

TOGETHER, WE CARE FOR AND CONNECT WITH OUR JEWISH FAMILY IN ISRAEL AND AROUND THE WORLD.

In the former Soviet Union, where Jewish life was nearly wiped out, we are nurturing an exciting resurgence of Jewish identity. In Israel, we help new immigrants from all over the world succeed as Israeli citizens. Here at home, we create opportunities for people to connect to Israeli life with educational programs in Palm Beach County and meaningful travel experiences to Israel.

Here are some examples of how YOU participated in building global Jewish community in 2013:

6,000 *people connected with their heritage at Yesod, a Jewish community center in St. Petersburg, Russia.*

5,000 *children from 25 different countries learned more about their Jewish roots through camps and youth programs in Eastern Europe.*

1,130 *Ethiopian-Israeli kids benefited from pre-school and literacy programs.*

300 *children, ages two to seven years old, attended Federation-funded Jewish preschools in Russia.*

A NEW LIFE IN ISRAEL

Palm Beach Gardens resident Lisa Seymour journeyed from Ethiopia to Israel, re-creating the journey immigrants take in search of freedom, Judaism and a better life in Israel.

Lisa visited an absorption center, where she saw firsthand the impact of Federation's human services programs that help successfully integrate newcomers into Israeli society.

"They've received healthcare and learned about nutrition, along with many other things needed for their new lives," Lisa said.

CONNECTING STUDENTS

A new patch of trees sits outside of a school in Tzfat, all thanks to a fourth-grade class at Temple Shaarei Shalom in Boynton Beach.

It's part of the "School Twinning" Network through Federation's Partnership2Gether, which connects teachers, students and families in Palm Beach County and Israel's TZAHAR Region.

COMMUNITY BUILDERS

WE NOT ONLY REACHED OUR 2013 ANNUAL CAMPAIGN GOAL – WE EXCEEDED IT!

Inspiring donors to make gifts is an impressive task that takes focus, passion and an awareness of the needs of our community. Many leaders have tirelessly given their time to touch, move and inspire people to take part in making the world a better place.

"Because of you, we can be more, do more and meet more of the needs of our growing community."

– Hope Silverman, Annual Campaign Chair

"I cherish being part of something so much larger than any one of its individual parts. That's my reality."

– Vivian Lieberman, Women's Philanthropy President

"When we join together in support of Federation, we strengthen our Jewish community... Together we make great things happen!"

– Lynn Kaston, Women's Philanthropy Campaign Chair

"I am a Jewish husband, father and business person. How can I not participate in our Jewish Federation?"

– Dick Flah, Planned Giving & Endowments Chair

Federation's Israel Experience Program — A Commitment to our Youth

For the past 21 years, Federation has provided the community's youth who celebrate their bar or bat mitzvah with a \$600 voucher to use toward a peer Israel experience program. It is our way of saying *mazel tov* and congratulating them on their achievements, assisting them with their journey to higher levels of Jewish learning and strengthening their Jewish identity.

Thank you for
all that you do!

Honor Roll & Lion of Judah

Your gift touched the lives of so many throughout
the world by enriching Jewish life, caring for vulnerable
populations and building global Jewish community.

HONOR ROLL

Thank you to the following generous individuals, families and private foundations who made contributions of a minimum of \$1,000 that benefited Federation's local and overseas programs and partner agencies through the 2013 Annual Campaign, or furthered a specific program locally or overseas with a designated gift.

HEARTFELT THANKS ARE ALSO EXTENDED TO OUR:

- Women's Philanthropy Campaign, representing 45% of the 2013 Annual Campaign
- Private country clubs that demonstrate a dedicated commitment to our growing Jewish community through their Federation/UJA Golf and Games Days
- Donors who made contributions to our Community Campaign of less than \$1,000
- The many members of our community who have requested that their names not be published

We have honored all requests and verified the accuracy of the Honor Roll to the best of our abilities. The names on these pages reflect commitments recorded as of 12.31.13.

If there are any questions, please contact Rachel Berg at 561.242.6612.
